## DODBALLAPUR SUB-DIVISION.

*Notification No. A2. P. R. 59—35-36, dated 21st October 1935.*

The following memo of precautionary measures to be adopted during the ensuing Sri Subrahmanyaswami Jatra at Ghati in the Dodballapur Taluk, which commences from the 30th December 1935, is issued for information of the general public, in the interest of public safety and welfare :—

1. The shops located in the jatra premises should be constructed in lines leaving an intervening space between shops and leaving a space of 7 feet from the side drains on both sides of the roads, to avoid accidents, obstruction, etc.

2. Sweetmeat shops and hotels should not be located near other shops. They should be in a separate line as they will always have the fire ovens going.

3. *Temple Premises.*—Inside the compound, the temple verandah will be barricaded and provided with separate ingress and egress for men and women. The pilgrims visiting the shrine will be let into the temple by batches. The temple proper will on no account be allowed to be used as a halting or resting place.

4. *Cattle Fair.*—Cattle that gather will not be allowed to be exhibited by the side of the high roads. They should be made to stand in places or picketed in lines specially allotted for the purpose.

5. Motor vehicles plying for hire for pilgrims will on no account be allowed to run through the Jatra premises; they must stop at the junction of the Bowring Ghati and Bindupur Roads beyond the Makli Railway Station, where the pilgrims must alight and make their own arrangements to go to the Jatra. Places will, however, be provided for the parking of such vehicles.
